"Government Sending Councils Bankrupt"

"The Premier said the State Government was going insolvent — but State Government is forcing local government into the same situation," Cr. W. L. Crofts told Altona Council on Tuesday.

Cr. Crofts was commenting on advice from the Metropolitan Fire Brigades Board that its estimates for the next financial year would require a contribution from Altona Council of an extra \$10,400.

The Board said additional staff and equipment, including the replacement of radio equipment and the provision for land and buildings, had brought a rate levy increase from .5335 cents in the \$ net annual valuation to .6377 cents.

Last year Altona's contribution was \$43,000. The new levy will bring the council's contribution for fire services to \$54,200.

"This is another imposition on the ratepayer," said Cr. Crofts. "Councils already contribute one-third of the cost of fire services, while insurance companies pay the other two-thirds."

"The Municipal Association of Victoria is attempting to have this reviewed. We should support the Association."

He moved that the council ask the Premier to review the fire levy. Council will explain the financial difficulties municipalities are meeting. It will also ask the Municipal Association to raise the matter of the levy at its next quarterly meeting.

Cr. P. J. Lynch supported Cr. Crofts.

Position Will Be Advertised

Altona Council will call applications for the position of traffic officer following the resignation of Mr. W. C. Draper.

Cr. C. W. Carlsson said it was council policy to give existing employees a chance to apply for any positions. He said several employees had indicated interest in the position, and moved that these be considered before the position was advertised.

"I'm aware of the past policy, but all ratepayers should be given the opportunity of applying," said Cr. W. L. Crofts.

Mr. J. W. Waters, Town Clerk, said there wasn't enough work to employ a traffic officer on full time duties.

"A man appointed from the Council staff could continue with his existing duties when not required as traffic officer," he said.

"We'll soon have to consider appointing a man to full-time traffic duties," said the Mayor, Cr. P. A. Burns.

Cr. CROFTS

"A surprising number of people are of the opinion that the Fire Brigade is run wholly and solely by the State Government, whereas the Government doesn't even pay 10 cents towards it," Cr. Lynch said.

Altona Boys Make State Hockey Team

Two nineteen year old Altona hockey players have been selected in this year's State team to play in the Australian Colts championships in Hobart during August.

For Ross Ford it is the fourth year in succession he has made the Colts team (for players under 21 years of age).

Bruce Forrester will be having his first game as a member of this side playing for Victoria.

Both have played in Junior interstate teams — Bruce in 1964 and 1965 with Victorian Under 15 sides, Ross in 1964 with the Under 15's and in 1965 and 1966 with Under 16 teams.

This season Ross and Bruce are playing in Altona's A grade hockey team.

Cricket Talks

Altona Council will meet representatives of the Altona Cricket Club to discuss the preparation of wickets on Grant Reserve for the coming cricket season.

House Permit

An application by R. D. De Vesconi, Millers Road, Altona, to construct a single storey dwelling in Davies Street, Altona has been approved by council.

Council was told the site did not comply with requirements of the Uniform Building Regulations, but council had power to permit a building on a site smaller than the minimum requirements.

PROBLEM WITH CROSSING

"Seaholme Primary School Committee has asked Altona Council to move the children's crossing in Civic Parade, near the school, away from the shopping centre."

"We think that it is dangerous, as when cars are parked, you cannot see the flags on the crossing," the committee told council. If it was not possible to move the crossing, the club asked that it be changed to an ordinary pedestrian crossing, with flashing lights instead of flags.

Cr. P. J. Lynch asked the City Engineer, Mr. R. Simmons, to advise council on the crossing. He also suggested that a traffic count be taken in the hope of obtaining permission for traffic lights to be installed.

"This would diminish the need for a crossing," he said.

Mr. Simmons replied that a recent traffic count showed neither vehicle nor pedestrian traffic was sufficient for traffic lights.

"We're stuck with a crossing at the moment," Mr. Simmons said. "It seems that people are not doing the right thing in this area. They are parking too near the crossing."

He suggested "No Parking" signs be installed near the crossing prohibiting parking from 8.30 a.m. to 4.30 p.m.

Mr. J. W. Waters, Town Clerk, told council that the area was listed for periodic six-monthly traffic counts.

Moderator To Visit Altona

The Moderator of the Presbyterian Church of Victoria, the Right Rev. W. A. Loftus and Mrs. Loftus will be visiting this area next Sunday, July 12.

They will be in Altona that evening and attend a function in the church commencing 7 p.m.

The Moderator has requested that the visit be as informal as possible, so that free exchange of thoughts, ideas and information can take place between himself and members of the congregation.

He always likes to meet the minister and his family in their home, and so the Moderator and his wife will have tea with Mr. and Mrs. Ridgway and family.

This is the first time a Moderator of Victoria has visited Altona, and it is hoped that as many people of the congregation as possible can attend to meet this distinguished guest.

Kinder Wants Adventure

Altona East Kindergarten Mothers Club wants to buy an "adventure fort" to provide more scope for imaginative outdoor play activity for the children, Altona Council was told.

The club said the council had removed an iron bar climbing apparatus, not of approved kindergarten standard, from the centre, and asked if the council would now put money it allowed for the correct climbing equipment towards the "adventure fort".

"What is the sum involved?" asked Cr. W. L. Crofts.

"I don't know what the correct climbing device is," replied Mr. R. Simmons, City Engineer. "We were told by the Health Department a number of years ago that certain equipment was satisfactory, and this was erected at many kindergartens."

"The current thing seems to be 'adventure forts'. Everyone wants to get on the bandwagon."

He said he thought the device would cost about \$60.

"If the children want extra fun, good enough," said Cr. P. J. Lynch. "Life gets serious enough as one gets older."

"I think if the cost is under \$100 the Privy Purse can stand it," said Cr. Crofts.

Cr. Lynch then moved the council agree to the club's request if the cost was less than \$100.

"Others will probably want it too," said Cr. Crofts, "but it will have to be first come first served. If the purse runs dry, the late-comers will have to wait until next year."

Carwash For Garage

Altona Council has approved an application to instal a covered carwash at the Caltex Service Station, corner of Blackshaws and Kyle Roads, Altona North.

An application to erect an illuminated sign at the service station was also approved.

The canopy covering the carwash must be at least 20 feet from the Kyle Road boundary and 10 feet from the rear of the site. The sign must be flashing or "running" illumination.

The council will offer no objections to an application by Esso Standard Oil (Australia) Ltd. for a Land use permit for a petrol filling station at the north-west corner of Blackshaws and Freemans Roads.

Church Wants Post Office

Altona's Building Surveyor has been asked to report on a proposal by the Altona West Gospel Mission to buy the old post office building from the Youth Club then re-erect it on a temporary basis in Somers Parade.

"I'd like to know how temporary the structure would be, and about parking," said Cr. R. K. Richards.

New Law Disrupts Council Meetings

A recent addition to the Local Government Act is disrupting council meetings all over Melbourne — and Altona Council is no exception.

The addition, Section 181 of the Act, requires councillors to disclose any interest they might have — whether the interest be direct or indirect — in any item before the Council.

Any councillors who have an interest in an item must leave the Council chamber before any discussion on the item can take place, and he cannot return until after the item is dealt with.

When the addition was introduced into the Act, Altona contacted its solicitors for advice in interpreting the section. On Tuesday the advice was received. The Minister for Local Government also replied to the Council's request for more details by saying the matter was under investigation.

The Town Clerk, Mr. J. Waters, repeated earlier advice to councillors that they should disclose an interest if they were in any doubt.

An item on the Council's agenda calling for nominations for a life governor of the Altona Community Hospital lapsed when the Council was left without a quorum after four councillors disclosed interests in the hospital and left the chamber.

OFFICIAL OPENING OF OF SOCCER PAVILION

The new clubrooms of the Altona City Soccer Club, the Stan McIntosh Pavilion, will be officially opened this Sunday by the Mayor of Altona, Cr. Pat Burns.

The \$30,000 building was designed by the club president, Mr. L. C. Noor-denne and is named in memory of the late Shire President and club treasurer Stan McIntosh.

Guests expected to attend on Sunday include Mrs. McIntosh, Mr. D. McIntosh, all Altona councillors and representatives of the Victorian Soccer Federation.

The official ceremony will begin at 2.30. A full programme will begin at 1 p.m. with a junior soccer match. The main game for senior teams will begin at 3 p.m. between Altona City's First XI and a combined Western Suburbs team.

State League players also will be appearing.

The Altona City Band is to play and an exhibition of marching will be presented by the Altona Marching Girls.

PAVILION OPENING

Altona councillors have accepted an invitation from the Altona Soccer Club to attend the official opening of the Stan McIntosh Pavilion at the H. C. Kim Reserve on Sunday, July 12.

The ceremony will be performed by the Mayor, Cr. P. A. Burns, at 2.30 p.m.

The passing of Council accounts was also held up because of disclosed interests and for a time it appeared this item might also lapse through no quorum, but when the items for payment were split up, there were sufficient councillors without interests to pass separate items.

Cr. P. Lynch asked the Town Clerk what would happen if the Council could not obtain a quorum to pass the payment of staff wages.

"The law is an ass," Mr. Waters replied. "The wages are paid in advance, anyway."

"Then passing the cheques is only a formality?" asked Cr. Lynch.

"Yes," replied Mr. Waters.

Registered

Altona Council has approved registration under the Health Act of premises in The Circle occupied by Agrippino Siracusa, greengrocer.

The council also approved the following transfer of registrations: Nassim Seoud to A. A. and G. Angelopoulos, Civic Parade, milk bar and mixed business; G. Mastrantuona to Jorka Zekic, Borrock Square, ladies' hairdressing.

Ruling Sought On By-law

Cr. W. L. Crofts has called for a legal opinion on interpretations of Altona Council's noise control by-law.

NO SIGN YET OF POLICE STATION

The Chief Secretary, Sir Arthur Rylah, said he was unable to give any definite details about when construction would start on a police station at Altona North.

In a letter to Mr. A. Knight, MLC, Sir Arthur said the loans program for the coming financial year was yet to be determined by the Treasury.

"I might add that planning for the new building is proceeding satisfactorily and it is hoped that contract documents will be completed during the next financial year," he said. "However, until such time as I know whether funds will be made available for this work, I am unable to tell you when tenders will be called."

Sir Arthur promised he would contact Mr. Knight as soon as he had more definite information.

Altona Council will ask local Members of Parliament and the Chief Commissioner of Police to have more staff made available at the Altona Police Station at weekends and after normal hours.

"The local police station is not manned enough at weekends," Cr. H. Weaver told the Council on Tuesday. "There was a hold-up here recently and there were no police to attend."

"The staff overtime has been cut out, with no increase in the staff strength, thus decreasing efforts at the station."

Council Still Loses On Injections

The subsidy payable to councils for medical fees at immunization campaigns has been increased, but councils were still losing out, Mr. J. W. Waters, Altona's Town Clerk, said on Tuesday.

He was commenting on advice from the Municipal Association that the subsidy

Wants Route 5 Sped Up

Cr. H. Weaver moved that Altona Council contact the Board of Works, the Country Roads Board and local Members of Parliament in an attempt to have a start made on Route 5 — a proposed ring road from Altona to Tullamarine, through Sunshine.

"The people of Altona need a rapid and direct route to the new airport," said Cr. Weaver. "They have to go such a round-about way at the moment."

BOXERS HONORED

Top schoolboy boxers Angelo Vassiliadis and Steve Siperki, both 16-year-old students at Altona North Technical School, were presented with certificates of merit at Tuesday's council meeting.

Angelo became the new Australian Schoolboy Lightweight Boxing Champion in Sydney last month when he defeated Aboriginal boxer Victor Heppitt.

Steve, of Little Street, Altona East, was runner-up in the bantam division. He lost the casting vote in a split decision.

had been increased to \$12 for the first half of a day immunization session, with \$4 subsidy for each subsequent half hour, and \$13.20 for the first hour of sessions starting after 6 p.m. and \$4.40 for each subsequent half hour in the evening.

Cr. W. L. Crofts moved that the Association's advice be referred to the council's Finance Committee.

EDITORIAL

TEACHERS

The school council of the Altona North Technical School, through its principal, Mr. D. Donaldson, has drawn attention to the current critical shortage of qualified teachers.

To the extent that the position in Altona and the Western Suburbs reflects a national shortage of qualified teachers, continued government action is necessary.

The parliamentary representative of the Western Suburbs will not be alone in voicing the need for improvement.

Much of a positive nature can further be done to encourage available teachers to come to Altona.

There is the short-term avenue of publicity. There are certain disadvantages due to the lack of a local teachers' training college, a degree of isolation and transport difficulties. But objectively local schools have much to offer — spacious grounds, modern buildings and equipment and good records of parent interest and assistance.

The most desirable solution is more difficult and long term. In short — if a school has a good name it will attract teachers. To build the prestige of a school is an ideal which can be achieved. To such, however, all must contribute — dedicated principal and teaching staff, students and ex-students and school spirited parents.

A high peak has been reached in a high school in another western suburb. Here the principal has for long reported no teacher problems, all classes fully staffed with qualified teachers.

Because that school is what it is, it can attract and hold teachers. The closest neighbouring high school has every teaching difficulty with an extreme turnover of teachers.

Altona secondary schools have many essential attributes, especially the Altona North Technical School with its tradition of strong leadership and a strong school council. If it continues as it is, it will ensure the growth of its reputation.

SCHOOLBOYS VISIT DUNTROON

A party of 80 selected Victorian schoolboys visited the Royal Military College, Duntroon, this week. The schoolboys, all prospective cadets, obtained first hand knowledge of military and academic facilities at the College. Pictured in the chemistry laboratory with Mr. J. Robinson are from left: Phillip Tyrell (Altona High), Peter Daws (Cohuna High) and Chris Black (Upwey High).

Three Altona High students, school captain Phillip Tyrell, Edward Kaye and Kevin Conron (all Form VI prefects) were guests of the Army from July 2 to July 5, in residence at the Royal Military College at Duntroon.

Mr. G. L. Shee, Altona High Principal, who has recently returned from a week's visit to Duntroon reports that the tone and morale at the College are high in spite of the unfavourable publicity received last year.

He said it is not widely known that cadets study for degree courses in Arts or Science (Applied or Engineering).

They work under conditions that are envied by students in other universities (the Royal Military College is actually a faculty of the University of N.S.W.) and consequently the pass rate is very much higher than elsewhere said Mr. Shee.

BOOK FOR LIBRARY

The Mayor, Cr. P. A. Burns, presented Altona North Technical School librarian Mrs. Carole Segbedzi, with a book for the school library at Tuesday's council meeting.

The school's library won the 1970 Library Week award of \$50 from the Gralier Society for the greatest improvement in school library services during 1969.

NO TO FLATS

agree to a proposal to consolidate the titles for lots 602 and 603 Second Ave.

Jas. H. Stephens, on behalf of the owner, asked council if it would give permission for flats to be erected on the site if the titles were consolidated.

The council is opposed to titles in a developed residential area.

SIGNS ARE OUT

The Board of Works will be asked to defer all applications for permission to instal signs between Duosa Road and the Lower Yarra Freeway until traffic control signals are erected and the Freeway is in operation.

The Board of Works will be asked to defer all applications for permission to instal signs between Duosa Rd. and the Lower Yarra Freeway until traffic control signals are erected and the Freeway is in operation.

Altona Council last week decided to object to a proposal to install a sign above a verandah at 100 Millers Rd., Altona North, near the Freeway approaches.

"At this time positions of proposed traffic control signals in this area are not known, and it is my opinion that no additional signs be permitted between Duosa Rd. and the Freeway until the Freeway is in operation," Mr. R. Simmons, the City Engineer, recommended.

Council refused two other applications for permission to erect signs.

One, an application to erect a sign above a verandah in Ross Rd., Altona North, opposite the Paisley Railway Station, was opposed on the grounds that it would be the first of its type in the small shopping area and made no reference to the type of business conducted on the premises.

The other application, by Colourbrush Paints Ltd., for a non-illuminated sign on a verandah in Pier St., was submitted because the verandah facade was unsuitable for sign writing, council was told.

Council decided it would have no objection to a painted sign if new facade was installed.

Tree Preserved

Altona Council will spend about \$100 to preserve a small section of the old pine tree, removed from the city recently, following a request by the Altona Historical Society.

A larger section will be kept in damp sawdust pending final decision by the society.

Pollution Committee

Cr. D. K. Grant and Mr. J. Mellors, Chief Health Inspector, will be Altona Council's representatives on the Western Suburbs Municipal Association Pollution and Environmental Committee.

MINISTERS "KNOCK" DOOR-KNOCK PLAN

Members of Altona Ministers Fraternal have asked Altona Council to rescind its policy to ban door-knocks in the city.

A deputation, consisting of the Revs. J. Lawley and R. Robinson and Captain B. Cooper, told council the policy was adopted at a time when door-knocks annoyed people.

But, said the Rev. Lawley, the public was not sympathetic to the ban.

He said Altona people responded to the Freedom from Hunger Campaign and Austcare, adding that the ban had considerable effect on the amount people were willing to give to genuine appeals.

"An appeal to feed the starving population is morally sound, and it is a good case to resume door-knock appeals, especially when the money will be collected for people whose need is life support itself," the deputation told council.

The council will ask the Ministers Fraternal if they are prepared to arrange an annual appeal in the city and accept responsibility for distributing proceeds to charities of their choosing.

Mothers Are A Problem

Many mothers parked their cars in prohibited areas near school crossings while they waited for their children, Mr. B. C. Draper, Traffic Officer, told Altona Council last week.

"I find that many mothers have an utter disregard for road traffic regulations as far as parking in close proximity to school crossings when flags are displayed," Mr. Draper said, adding that the mothers were quick to move when spoken to.

Mr. Draper said a number of schools had been contacted about the condition of their crossing flags.

NO CARPORT

Altona Council has again refused to grant Mr. E. R. Symons, Blyth Street, Altona permission to erect a carport on a location which does not comply with provisions of the Uniform Building Regulations.

The council asked its Building Surveyor to report on the matter when Mr. Symons asked it to review an earlier decision to refuse the application.

The Building Surveyor told council it had adopted the Site Requirements of the Regulations as applicable to all residential properties within the municipality.

"I see no reason for council to set a precedent and modify these conditions unless warranted by medical grounds or lack of available land area to enable the normal U.B.R. requirements to be observed," the Building Surveyor continued.

He added that an existing garage on the property, located adjacent to a side street boundary, had caused many problems when other owners applied for carports abutting a side street boundary.

Cr. W. L. Crofts moved that the application be approved subject to the approval of statutory authorities, but this was defeated in favor of Cr. C. W. Carlsson's move to have it refused.

The council approved garage applications made by G. and L. Gallea, Irwin Ave., Altona North, and Mr. I. Campbell, Linnet Street.

Sewerage Works For Schools

Tenders have been accepted for connecting Altona High and Altona West Primary Schools to the sewerage system.

Mr. Larry Floyd, member for Williamstown, advises that the tender was accepted on June 30 and the successful contractor was N. Ciardulli, of Chadstone.

Licence Opposed

Altona Council will oppose an application by Mr. K. L. Smith, Fourth Avenue, Altona North, for a second-hand dealer's licence to conduct a used car sales business on the grounds that the business would be a "commercial interest" in a residential zone.

Council To Seek Talks

Altona Council will invite the Minister for Lands, Mr. W. A. Borthwick, and the secretary of the Lands Department, Mr. A. Holt, to inspect the Truganina Reserve and later, after a buffet lunch, discuss the proposed Truganina Estate development.

FLAT DEVELOPERS MUST PAY

Before Altona Council issues building permits for flats in future the developer must pay one-twentieth of the valuation of the property to a fund which will be used by the council "for places of public resort and recreation".

The valuation will be assessed by the City Valuer at the date a building permit application is made.

Council has agreed to issue the following building permits once the valuations are paid:

Messrs. R. and O. Potese, 53 Queen St., Altona, brick flats at lot 18 Jurga Court, valuation \$200; Messrs. R. and M. Guinta, 243 Blackshaws Rd., brick flats at lot 337 Hearn St., Altona Nth., \$350; Messrs. M. and L. Zawadzki, flats in Netta St., Altona East, \$375.

Council has refused an amended application by J. and M. and M. W. Conn, Williamstown Rd., Footscray West, to erect three single storey flats in John St., Altona North, because no parts of the site were designated on the plan to be developed as gardens.

An earlier application to erect one two storey unit

and two single storey units was approved by council in February.

Committee To Select Books?

Altona's Librarian will be asked to attend the council's next General Purposes Committee to discuss a proposal to form a committee to select books for the city library.

At present books are selected by the librarian.

Cr. W. L. Crofts said he intended to ask the librarian if a selection committee would assist her. He said he had received a number of complaints about certain books not being available at the library.

"I suppose we would always get this sort of complaint with a library of this size," Cr. Crofts said, "but I would be in a better position to reply to complaints after discussions."

RIGBY-PATTON WEDDING

— Photo by courtesy Edwin R. Warden, 68-1996.

Mr. and Mrs. Ronald Robert Rigby cut the wedding cake after their marriage on June 20 at the Altona Methodist Church.

The bride is the former Gail Lesley Patton, only daughter of Mr. and Mrs. Mick Patton of Mulga Street, Altona, and the groom is the eldest son of Mr. and Mrs. R. Rigby of Hansen Street, West Newport.

A gown of white bridal linen with an overlay bodice of guipure lace and a full length veil were worn by the bride and she carried a bouquet of white gardenias.

She was attended by Joanna Wynands, Christine Todd and flowergirl Tracey Ann Rollinson who wore gold ottoman frocks and carried white carnations.

Best man was the groom's brother Peter Rigby and groomsman Terry Edwards.

The bride's mother wore a beige ensemble with hot pink accessories and the groom's mother a purple and white coat frock with white accessories.

A reception was held at the Central Hotel.

The bride and groom went on a two weeks' honeymoon tour of Tasmania.

Annual subscriptions are due this week.

Arrangements are well in hand for a photathon on Sunday, July 12. Further details will be announced on Friday at the club.

July's competition, "Melbourne", should be well on the way and entries should be handed to the print steward on Friday, July 17.

Altona Camera Club meets every Friday of the month (except the first) at The Homestead, Queen St. (opposite the library), at 7.30 p.m. Ring 398-1937 for further details.

Altona High Exams

Entries for the school Leaving and Higher School Certificate Examinations must be lodged at Altona High School early in August.

No candidates other than students currently enrolled may sit for examinations at Altona High unless the Principal's permission is sought beforehand.

NEW LOCKS AT HALL

Altona Council will arrange the fitting of new locks on exterior doors of the Altona Youth Hall following the thefts of \$15 worth of confectionery recently.

Asking for new locks on the hall, the Altona Citizens' and Police Youth Club Committee told council too many keys were in circulation at present.

The council's plumber and Superintendent of Properties have corrected several other defects at the hall.

REPORT ON TREES

Altona's Superintendent of Parks and Gardens will report to the council's General Purposes Committee on a proposal by the Australian Natives' Association to carry out a tree planting project next year.

The tree planting will be part of the Association's centenary celebrations, and the Association hopes to undertake it in every municipality in which one of its branches is situated.

No Fun Parlor

Altona Council has refused an application by J. and F. Karagiannis to use a shop in Second Avenue, Altona North, for an amusement parlor.

Mr. J. Mellors, Chief Health Inspector, told council the shop did not comply with all the provisions relating to public buildings of this nature.

OFFICIAL OPENINGS

The Mayor of Altona, Cr. P. A. Burns, will officially open the Stanley McIntosh Pavilion on the H. C. Kim Reserve, at 2.30 p.m. on July 12.

Cr. Burns will officially open the Lindwood Avenue Kindergarten, Altona West, on August 13, during Education Week.

Classes started at the kindergarten on June 9.

Street Stalls

The 4th Altona Scout Group has permission to conduct a street stall in Pier Street on November 14. Altona West State School Mothers' Club will conduct a stall in Pier Street on November 21.

Cross Country ALLSOP FOR Meeting TITLE

A cross country meeting for Little Athletics from the Altona, Corio, Bacchus Marsh, Sunshine and Williamstown centres will be conducted at the Lower Reserve of the You Yangs this Sunday, July 12, commencing at 1 p.m.

Officials will need to be in attendance from 11 a.m.

Finalists from this meeting will compete at the Victorian Cross Country Championships at Yarra Bend Park on Sunday, August 9.

The first eight in each regional heat qualify for the State final.

Sunday's events are:
Boys: Under 9, 2,000 metres, Under 10, 2,000 metres, Under 11, 3,000 metres, Under 12, 3,000 metres.
Girls: Under 9, 1,000 metres, Under 10, 1,000 metres, Under 11, 2,000 metres, Under 12, 2,000 metres.

All competitors must compete in club uniform and registration number and age group must also be worn.

Facilities are available at the You Yangs Reserve for parents to use barbecues which are plentiful around the Reserve.

Note for Westons members—any young Westons competitor without transport is asked to ring 398-1114.

Competing in the 30 kilometre handicap at Albert Park, Ted Allsop finished a close fourth behind fellow Olympian Noel Freeman last Saturday.

Ted is favorite for the 50 kilometre championship to be held on Saturday, July 25. The extra distance will be in Ted's favour and all members wish him luck in the big event.

Other members of the club competed in the 10-mile cross country championship at Sunbury. First Williamstown athlete home was Fred Howe (74.45) followed by Steve Conas (75.28) and Terry Phelan (77.40).

The run by Steve Conas was a very good performance and is improving with every run. By finishing 3rd in this event Williamstown was able to win the Victorian Cross Country Premiership in D Grade.

Eero Kejonen ran in the junior championship and put in another good performance. This lad is showing the promise of being an outstanding athlete in years to come.

This week the club is competing in the Craigieburn to Gisborne relay, cars leaving the clubrooms at 12.30 p.m.

THE CURTAIN RISES

BY THISBE

WHILE the actors are busy creating the romantic atmosphere of Spain in the Williamstown Little Theatre's production of "The Duenna", other members are working on reports and balance sheets for the annual general meeting on July 16.

The annual meeting gives all an opportunity to think back over many things that have happened during the year.

All will remember the Cordell and Craven Awards won by Les Terrill and Glynis Clodd.

The Moomba Festival and the great success by Williamstown there, Jason Savage's tour and the Mayor's Performance will all bring back many happy memories.

The various social evenings held at the theatre where new members were made welcome will be recalled with pleasure.

A retrospective look at the group's particular world helps all to realise that all the problems met can soon be solved if all get together and work on them.

As Monday, July 20 draws nearer "The Duenna's" problems will be solved. Some of that special feeling of excitement tinged with panic will be replaced with a feeling of satisfaction in a job well done and all will begin to enjoy it all again.

Will you be there to share with the group their pride in a Williamstown production?

Teachers' Training College

The first Teachers Training College in the Western Suburbs may be built in Sunshine. There are no indications of any prospect of one in Altona.

In answer to a question asked in Parliament by the Hon. A. W. Knight, the Minister for Public Works, the Hon. Murray Byrne, stated that a site for a college was being purchased at the south western corner of Furlong Road and the St. Albans Railway line.

He further said that no date had been determined as to when a college will be established and no other land was held by the Education Department suitable for a Teachers Training College in the Western Suburbs.

CHISLON DINNER DANCE

The 21st birthday of the Chis-Lon Spastic Centre at Seddon will be celebrated at a dinner dance at Fiesta Reception on Thursday, July 16.

Spastics sufferers from Altona, Williamstown, Sunshine and St. Albans attend the centre.

Organisers of the dinner dance which will start at 7.15 p.m. are members of the centre's Parents and Friends' Association.

Tickets at \$4.50 per single are still available but should be booked by this Friday, July 10.

Enquiries should be directed to the association president, Mr. E. G. Nicholls (314-5446).

Presbyterian Basketball

In the Presbyterian Basketball the C grade match was called off due to the wet weather conditions.

A reserve match was forced to finish the game in the third quarter. The final scores were even, showing Altona had improved on their previous game against Wood Street, by 8 goals.

Newport Amateur Swimming Club

SWIMMING against Dendy Club on Sunday, July 5, the girls' junior swimmers were again successful winning 53 points to 17, whilst the senior girls could only manage to tie with 80 points each.

These results leave the junior girls undefeated on top and the seniors in fifth place.

The boys had a bye this week and both boys and girls' teams swim against Maidstone next week, which should be a great tussle.

Winners were Amanda McIntosh, Geraldine Murphy (two) and Theresa Febey.

Newport also won three of the four relay events. A very good first up swim was recorded by Lynette Butler in the Under 8 butterfly stroke.

Ball Is Popular

THE Footscray and District Hospital Debutante Ball this year looks like being a real 21st birthday party with the introduction of two bands to satisfy all tastes—young and old.

Supper will be smorgasbord style and table bookings are now being taken.

Some tables are still available and those wishing to attend this 21st Ball on Tuesday, July 28, please contact the ticket secretaries: Mrs. P. Gallagher 68-4492, Mrs. E. A. Youens 68-1689, Mr. E. A. France 68-3175.

The Chief Commissioner of Police, Mr. Noel Wilby, will receive the debutantes and dancing will go on till 2 a.m. with supper from 10.30 till midnight.

Bring your own refreshments is the order of the night and tickets are \$4 per person.

Altona High Handicraft Classes

A few vacancies are still open in the Pottery and Metalcraft classes at Altona High School.

In Metalcraft students are making wall plaques, candelabra, coffee sets, various ornaments and jewellery.

There are facilities for enamelling and the recent purchase of a casting machine now enables students to make such things as gold or silver rings.

A tender has been let by the Public Works Department for the supply and installation of an exhaust system in the Metalcraft room.

Fine work is being done in the Pottery Room.

Now with two kilns, one supplied by the Education Department and the other by the Advisory Council, it is possible to fire work done by day and evening students without delays.

FIRST FIREMAN ON FERRY WORKED SEVEN DAYS A WEEK

The late Mr. Neil Smith, the first fireman on the Williamstown Ferry, had to work seven days a week — but he still had a good sense of humor, as the Rev. Caldwell, a Presbyterian minister at Williamstown, found out one day.

The Rev. Caldwell often had business in the city, and found the long journey through Footscray and North Melbourne slow and trying in his four-wheeled buggy.

He was extremely happy when the Williamstown Ferry started — it meant a shorter and much quicker journey.

One day, while travelling on the Ferry, the Rev. Caldwell spoke to Mr. Smith, a Scot who came to Australia during the 1880's. He said what a wonderful time-saver the ferry was, and how pleased he was that it operated on a Sunday.

Mr. Smith looked at the minister, a twinkle in his eye, and said: "Six days thou shalt labor, and one on the seventh thou shalt rest."

"When are you going to make an eighth day for me to rest, because with the Ferry operating on Sundays I have to work seven days?"

Mr. Smith died 37 years ago, aged 82. His daughter, Mrs. Margaret Maltman, now 78 years old, lives in Forrest Street, Spotswood. Mrs. Maltman was four years old when her father was the Ferry fireman.

When Mr. Smith arrived in Australia he went to work on the Naval ship, the Cerberus, as a fireman. He later worked at the Williamstown Dockyard, and at times worked on the lighthouse tender ships, the Lady Loch and the Albert.

After a time on the Ferry he returned to the Dockyard, then worked as a nightwatchman.

Mr. Smith's wife was Mary, know as Polly Roberts, sister of a well known district solicitor, Mr. W. H. Roberts, and Mr. Charles Roberts, a member of the Williamstown Water Police.

The Smiths lived for a time in Pasco St., opposite the Williamstown Methodist Church.

Mrs. Maltman's brothers regularly played tricks on the Aborigines who sailed the Yarra River in canoes.

"The blacks often came up the river in their little boats," Mrs. Maltman recalls. "They always wanted to buy goats, so my brothers would take one down to the riverbank on a string."

"The blacks would give the boys 1/- each for the goats they took down, but the boys always cut the string before the black got their goat into the boat, and the goat would be home again before the boys got back."

"I suppose it was wrong of them, really, but you had to make your own fun in those days."

One game nearly cost Mrs. Maltman's brother, Charles Smith, his life.

"Charles decided to swim off the Ferry. The chains were moving at the time, and when he disappeared underneath, no-one expected to see him alive again. But he came up, unhurt, on the other side."

Charles Smith died a number of years ago. His widow, formerly Annie Emmerson, was the daughter of a well known Footscray family.

Mrs. Maltman's late husband, John, worked in the Railway workshops for 40 years after coming to Melbourne from Shepparton. The couple had 10 children, of which six sons and a daughter, Mrs. Jessie Shiell, of Blackshaws Rd., still survive.

Before she married, Mrs. Maltman worked with Herriot, the Williamstown sail maker.

In addition to making large canvas sails, she helped place matting on the decks of the old Cerberus.

When she first went to live at Spotswood over 50 years

SIXTY-NINE members enjoyed an afternoon of cards on July 2 and winners were Mrs. A. Roberts and Mr. E. Leyton.

The next card afternoon will be conducted at 1.30 p.m. on July 16 in the Manchester Unity Hall, Footscray.

A meeting of the Ladies' Auxiliary will start at 1.30 p.m. on July 9 in the Manchester Unity Hall, Footscray.

All male members are invited to attend the special meeting to be held at the same time and place as the Ladies' Auxiliary meeting.

On June 25, several members paid a surprise visit to 44 Park Cres., Fairfield, to spend the afternoon with Mr. T. Newton on the occasion of his 90th birthday. Mr. Newton was a resident of Williamstown for many years.

ago, the area was a wilderness, in places.

"You could see for miles across the paddocks from North Rd.," she said. "I remember one day a goose chased me while I was walking across one paddock. I was blue for ages where it pecked me."

BOARD'S REPLY MISLEADING — HEALTH INSPECTOR SAYS

MR. N. C. HAWTHORN, Williamstown's Chief Health Inspector, told Council last week that a letter from the secretary of the Board of Works outlining the Board's powers over pollution control was misleading — and sections of it could be called misleading.

The secretary told Council that the Board's Act and by-laws did not give it any power to approve or disapprove of the discharge of trade wastes to streams for which it was responsible.

He said the Board's powers were limited to action after an offensive discharge occurred.

"There is ample power given by various sections of the M.M.B.W. Act to enable the Board to control and prevent pollution of any kind being discharged into any stream, watercourse, creek or drain, etc., under its control, without any recourse to the Health Department," Mr. Hawthorn told Council.

Mr. Hawthorn tabled a report quoting numerous sections of the Board Act clearly stating the Board's responsibilities and powers.

"As far as co-operation is concerned, we have always been ready to do so," Mr. Hawthorn continued. "However, this has not always been so on the Board's part."

"As far as the various requests outlined in the Board's letter are concerned, it should be said that over the years we have attended to these matters and continually, with the co-operation of various proprietors and companies, improvements are being effected."

"Assistance and advice has also been given when requested."

"It has been a standing practice with any new shop, such as fish, or a butcher, that all drainage is properly trapped, etc. The same applies to factories and other premises. Also, with septic tank systems where they have been installed, that the capacity and treatment is more than sufficient to deal with all wastes, including effluent from trade processes."

"I would hasten to add, of course, that there is room for further improvements to be made, not only in the treatment of effluents being discharged, but also in the prevention of any offensive matter finding its way into channels, drains, creeks, etc. Finally, it should be clearly stated that we are always ready to co-operate and assist in every way with the various authorities."

Mr. Hawthorn said he would soon be issuing a summons against a heating oil deliveryman who discharged a small quantity of oil and water into a street channel at the corner of Effingham Road and Latrobe Street.

"It appears from this report that the Board has all the power under the sun to control pollution in the metropolitan area," said Cr. L. Hoffmann.

"The letter was sent to the Chief Health Inspector to let us know where we could assist the Board, but we have found that the Board has all the powers it needs itself."

"The report from the Board was a big whitewash brush, but this report has taken all the steam out of that."

Cr. H. Clancy moved that Mr. Hawthorn be asked to prepare a reply to the Board along the lines of his report to Council.

WHY THE CHANGE?

Williamstown Council will ask the Minister for Mines why approval was granted for Pipeline Technologists Pty. Ltd. to lay an eight-inch pipeline under the bay, instead of a six-inch pipe as originally proposed.

The Company told Council last week that preliminary work would begin soon on the pipeline to be operated by Petroleum Refineries (Australia) Pty. Ltd. It said the City Engineer would be contacted before any work started within road and street reserves.

"We shouldn't allow this to go through without asking for an explanation," said Cr. H. Clancy. "We opposed this pipeline."

"PERU DISASTER APPEAL"

Following the decision on June 8 by the National Council of Management of AUSTCARE (Australians Care For Refugees) to open a special Immediate Relief Appeal to be named "Peru Disaster Appeal," all State Directors of AUSTCARE have been alerted to divert their present administrative activities to this urgent Appeal and to operate it conjointly with the 1970 Appeal.

Funds raised for Peru will, however, be kept separate from the official 1970 Appeal and all money received in respect of the disaster will be transmitted to National Headquarters for collation from each State, and immediately distributed to the organisations actively operating in Peru.

The Australian Council of Churches has made an initial grant of \$10,000 and will be making a further grant next month of \$20,000 and then further grants as money is received.

World Catholic Relief is also a major participant, together with International Red Cross, Governments and many other agencies.

Williamstown City Council, acting upon the request from AUSTCARE, has decided that any citizen wishing to contribute towards this worthy Appeal, may leave their donations with the Town Clerk's Department, Williamstown Town Hall, for forwarding, or send them direct to: The State Director, "Peru Disaster Appeal," AUSTCARE, 37 Swanton Street, Melbourne, 3000.

The Mayor of Williamstown, Cr. R. Dawes, J.P., has opened the local fund with a contribution of \$5.

Y.A.L. YOUTH TOURS

During the August-September school holidays provision has been made for boys and girls from Victoria to visit tropical Cairns and the Great Barrier Reef under the guidance of the Young Australia League.

The Y.A.L. has established a Branch Office in Melbourne, and from this office arrangements have been made for a group of boys and girls from Victoria to leave Spencer Street, Melbourne, on Friday, August 21, 1970, to travel by rail to Cairns for a 12 day tour.

Y.A.L. Tours to Cairns and the Great Barrier Reef in the spring are always popular. The climate in the North at this time of the year is delightful, and the days are sunny and warm, but not hot.

The program at Cairns includes a full day's visit to Green Island on the Great Barrier Reef, where one can descend to the Underwater Observatory and see the wonders of the Reef through glass viewing windows, observe the coral on the seabed from glass-bottom boats, visit the Great Barrier Reef Theatre for an educational film on the marine life of this wonderful area and inspect Marine Land.

Other trips include the Barron Falls, Stoney Creek Falls and Kuranda. Apart from visiting sugar mills and swimming in the Olympic-size pool, there are bus tours around Cairns and its environs, and a full day's trip to Atherton Table Lands, visiting Lake Barrine and Lake Eacham, seeing tobacco crops, huge ant hills and Tinaroo Dam.

Time will also be spent on a full day trip to Port Douglas and Mossman, seeing Hartleys Creek Zoo with crocodiles, alligators, snakes and other reptiles living in this area.

The group will be accommodated at the Y.A.L. Hostel in Cairns which is one of the finest of its kind in Australia.

The tour is open to all boys and girls aged 10 to 17 years, and the cost of the tour may be paid by deposit and instalments. Prospectus, giving full details and all information, is available by writing to Y.A.L., Box 2291U, GPO, Melbourne, 3001.

"CONDITIONS AT LOFT RESERVE APPALLING"

WEST NEWPORT FOOTBALL CLUB has complained to Williamstown Council about the "appalling conditions and general disrepair associated with facilities available at Loft Reserve".

"The club appreciates the potential of this recreation area, and has, over the years, endeavoured within its scope of capabilities, to preserve and maintain these facilities," Council was told.

"However, as Council is aware, other sporting bodies also utilise these facilities, and the burden of maintenance is now beyond the club's capabilities and control.

"The situation has now led to a general state of dilapidation, where its external and internal conveniences are in a filthy state, as well as the shower recesses being damaged and blocked.

"The committee feels that the necessary restoration must be completed immediately and requests Council to instigate immediate action on this problem."

Cr. J. Byron moved that the matter be referred to the Council's Reserves Committee, and a copy of the club's letter be sent to the West Newport Health and Recreation Committee for comment.

"Damage has been done to the building and the committee has reason to believe it was done by the club," he said. "I believe this is an attempt to by-pass the committee."

"The club may be innocent, but this is rightly a matter between the club and the committee."

Cr. L. Hoffmann said nine clubs used the reserve.

"The onus is on each club to clean up the place before the next club uses it," he said. "And there is a cleaning service there once a month."

"All the lights have been broken, the heaters in the ceiling broken, and the walls marked by a football, as if a game has been played in the pavilion."

Mr. G. Summers, of Carmen Street, West Newport, told the Council the drainage problem he experienced due to water seeping onto his property from Loft Reserve had been corrected, but he asked if he was entitled to help towards replacing his front and side fences which rotted because of the extra water running onto his property from the reserve.

Mr. J. Rees, City Engineer, will report to the Reserves Committee on Mr. Summers' enquiry.

- A Reserve, 3-9-112, defeated Northcote, 1-6-101.
- C. Corva won 3-2.
- R. Withers lost 0-3.
- B. Warland won 3-0.
- B. Cathcart won 3-1.
- B Grade lost to Northcote, 1-3.
- G. De Rose lost 1-3.
- J. Finch lost 0-3.
- G. Goodwin won 3-0.
- Town's No. 4 gave a walk-over.
- C Reserve 5, 3-10-102, defeated Footscray 8, 1-4-77.
- J. Robb lost 1-3.
- P. Rodger won 3-0.
- B. Cox won 3-0.
- A. Cervetto won 3-1.
- B Grade were unfortunate to be one man short. This puts them in the position where they may lose second place and the double chance.
- A Reserve had a fine win with Brian Warland breaking the ice at last and Cippy Corva winning another five-setter.

Repatriation Writing Project

The Minister for Repatriation, Mr. Holten, said recently that ex-servicemen and women, war widows and patients of Victoria's Repatriation Hospitals are being offered medicine of a different kind — and being paid to take it!

Under the patronage of Lieutenant Governor Sir Edmund Herring, the Department has launched its eighth Writing Project, with prize money to the value of \$600.

Sponsors donating the prize money are Ampol, General Motors Holden and G. J. Coles. Strong support is received also from ex-service organisations.

The project, for this year opened on June 1, and entries close on August 31. Three well-known Victorian journalists will be judges.

Experience, both in America and in past Repatriation Writing Projects, has shown writing to be an excellent form of occupational therapy, especially for long term patients.

Previous entrants have been enthusiastic about the value of this Writing Project to them. Typical is Mrs. P. J. Crozier, an incapacitated War Widow who states "Writing gets rid of tensions and stops me from being lonely."

Mr. H. Wilson, of Glenfyne, a Totally and Permanently Incapacitated soldier of the Second World War and a previous sectional winner of last year's competition, says, "I find writing is a therapy which had widened my existing interests. Through it I have gained new knowledge and friends."

The entrant may write on any topic he chooses — short stories, essays, poetry or plays. However, entries should be limited to between 50 to 3,000 words.

Mr. Holten said "Writing counteracts the boredom and necessary inactivity of the hospital ward. It is an excellent means of self expression, of sharing with others — ideas, opinions and experiences. This is why writing is considered to be complementary to the general well-being of the Repatriation patient."

The Minister said that any further information on the project was available from the Repatriation Department, Kingsway, South Melbourne; or any Repatriation Institution or ex-service organisation in Victoria.

FOOTPATH SUGGESTED

Mr. T. Woods, of Mount Waverley, wrote to Williamstown Council last week expressing concern for the safety of pedestrians walking between the Mobiltown railway siding and the Kororoit Creek Road Migrant Hostel.

He said he had often seen as many as 20 people leave the siding and walk along the road to the hostel, with heavy traffic passing within inches of them.

Mr. Woods will be told of the Council's approach to the Commonwealth Government for a footpath.

WESTERN SUBURBAN FOOTBALL LEAGUE

Stars In A Grade, Then Flattened In Under 18's

By WARDEN JAMES

Newport youngster Alan Flavel starred when promoted to the Open Age last Saturday, but on Sunday with the Under 18's it was a different story.

He was dominating play until he was "ironed out" just before half-time, and had to be taken to hospital with concussion.

Flavel's injury had a demoralising effect on the rest of the players and they offered very little resistance to Altona for the rest of the match.

Although the match was hailed as a possible grand final preview, Newport, who are second on the Under 18 ladder behind Altona, could manage only 1-2 to Altona's 17-19.

But in Open Age Newport made sure of staying on equal top position on the ladder by soundly beating Central Altona.

Full forward Cliff Sanderson continued his good form of last week to finish with six goals, while captain-coach Ken Withers and Andy Stewart both returned to form with pleasing displays.

Umpiring in this match was of a very high standard and don't be surprised to see this same umpire officiating in the final series.

In other Western Suburban League matches top side West Newport did not have things all their own way against Werribee. They slammed on four goals in the first 10 minutes of the match to hold a commanding lead, but Werribee came back very well in the last term.

Werribee, who have been hit severely by injuries this

season, were again without centre-half-forward Neil McEvoy.

McEvoy broke a bone in his wrist last week and looks like being out for another four or five weeks.

Maidstone put up an improved showing against Williamstown United and once again acting captain Graeme Rankin set the example for the rest of the players.

Altona's rucks and rovers, who kicked 17 goals between them, gave the side a very comfortable win over lowly Brooklyn who have yet to win a match.

Ruckman Peter Brennan with five goals and rover Stephen Chatfield, also five, were the two best players while newcomer G. McColl on the half-back flank impressed in his first game.

In the other match Point Cook had a very comfortable win over Laverton with the excellent high marking of both sides in the wet and slippery conditions being a highlight of the match.

In Under 18, Central Altona, with only 16 men to Laverton's 18 put together their best team effort for the year to run out easy winners.

Central had nine goals straight on the board half-way through the second quarter to Laverton's three

points, two of which had been kicked by Central players and they were never headed.

West Newport kicked 9-2 in the first quarter against Altona B and maintained this big lead throughout the match.

However, although the Altona side never stopped trying, it was handicapped by several players not turning up.

Suitable replacement was found in Under 16 youngster Ken Churchill who kicked six goals on Saturday. He was top goal scorer for the Under 18's with two goals.

In Under 16, leaders Williamstown were jumped by Newport and were down 0-8 to 3-4 at half-time. But they came good in the second half to win by 39 points.

Williamstown supporters were not too pleased with the umpiring at half-time, and for a few hectic minutes abuse was hurled backwards and forwards by the umpire and the spectators.

TOWN SLUMP AGAINST CAULFIELD

Williamstown Firsts went down to the second last side in Caulfield last Saturday. The Williamstown outfield let the side down in failing to cover the scratch hits that the Caulfield side were scoring.

George Parnaby, who was scoring in as the pinch hitter for the side early in the game notched up three two-baggers in his three trips to the plate but his efforts were not supported.

Safe hits: G. Parnaby 3, N. Pedretti 2, B. Wills, A. Harris, P. Bowyer. Best: G. Parnaby. Scores: Williamstown, 4, lost to Caulfield, 6.

SECONDS
The Seconds had an easy 9-2 victory over Caulfield in their match. Town cannot seem to find consistent form and they will be in trouble if they don't settle down before the finals.

Scores: Williamstown, 9, d. Caulfield, 2.

THIRDS
The Thirds were awarded their second walkover in two weeks, this time against Caulfield.

This week Williamstown meets Sandringham Firsts v. Altona, Newport v. Devon and Thirds at home. The Sec-Park, West Newport bye.

THE Robert Bodington Pty. Ltd. combination of A. Coustley, L. Loone and J. Garvin produced their best form for the season when they comfortably defeated Williamstown Colts 8-3 and they are now one game clear of their nearest rivals. Alan Coustley paved the way to victory, winning all three rubbers, whilst for Colts Steve Slattery was their best player with two rubbers.

Seaholme provided the surprise of Round 9 when they scraped home against top team Rheem to win 6-5. Bill and Ted Simmons were in great form with three rubbers each, whilst for Rheem Stys, Kinder and Czeriecki could manage only one rubber each.

F.T. Carpets returned to the winning list with a good win over Goetz, 7-4. Joe Bajona was the star of the match winning all three rubbers and Theo Molz was Goetz's best player winning two rubbers in good style.

BI GRADE

F.T. Carpets moved into third position when they outclassed Brooklyn to win 9-2. Des Taaffe and Bob Scerri were the stars of this match, winning three rubbers each. Alan Dyall and Barry Watson, who was previously unbeaten, could manage only one rubber each.

AGM consolidated their second position when they crushed Avondale Heights Youth Club 9-2. Ray Blythman and Lance Evans were in match-winning form with three rubbers each. They were ably supported by Dianne Faust who won two rubbers. Avondale's only winner was Robert Brookfield who won one rubber.

Westerners returned to top form when they comfortably defeated Centre 7-4. Max McGavin, producing his best form for the season won all three rubbers whilst for Centre David Doyle won two rubbers in fine style.

B2 GRADE

Ballarat Rd. Methodists returned to top position when they defeated Goodrich Chemicals 8-3. For Goodrich, McLaren, Weston and Gittens won one rubber each.

Reckitt & Colman (T. Powell, A. Evans, J. Jennings) remain in second position following their narrow 6-5 win over B.A.T. Ted Powell continuing his fine form won three rubbers whilst for B.A.T., Andy Clarke won two rubbers.

Seaholme provided the surprise of Round 9 when they scraped home against top team Rheem to win 6-5. Bill and Ted Simmons were in great form with three rubbers each, whilst for Rheem Stys, Kinder and Czeriecki could manage only one rubber each.

F.T. Carpets returned to the winning list with a good win over Goetz, 7-4. Joe Bajona was the star of the match winning all three rubbers and Theo Molz was Goetz's best player winning two rubbers in good style.

Snappers played their best game for some time when they lost 4-7 to Grieve Highway the undefeated leaders. Best for Grieve Highway was Neil Wynn with three rubbers.

Kingsville YMCA showed class to defeated Explosives 8-3.

Outlaws and Oliver Davey both received 11-0 walkovers from Basin Street and Reckitt & Colman, respectively, and as a result Outlaws move to within two rubbers of second team Kingsville YMCA, and Oliver Davey move within one game of fourth place.

McKenzie & Holland showed a depth of talent when they defeated a greatly improved Union Carbide 7-4. J. Cosha and R. Curwood starred for McKenzie & Holland with three wins each, and for Union Carbide Harry Hepburn was their only winner with one rubber.

Avondale Heights (2) retained third place when they defeated Brooklyn Youth Club, 8-3. For Brooklyn Y.C., John Guzda was outstanding with three rubbers.

Newport Post Office had an excellent 9-2 win over Ballarat Rd. Methodists to lift their team from sixth place into the four. For Newport P.O. John Freeburn and Ron Dalrymple won two rubbers each and Col O'Brien was in great form with three.

Grade leader Williamstown Youth Club had the closest of wins over Esso Tigers B at 6-5. Barry Harrison held his side together with three good wins and for Esso Joe Ricketts won two rubbers.

Newport Post Office moved closer to second team Esso when they defeated Esso A, 9-2. Bernie Fox of Post Office starred with three rubbers.

St. Mary's C returned to winning form with a morale-boosting 11-0 defeat of Australian Glass.

Holy Trinity Football Club

Playing at home against Laverton Youth Association, Holy Trinity's Under 15 team overcame severe opposition and recorded a courageous victory.

The Under 12 boys were very disappointing and were outclassed by their opponents. The Under 12's have now lost top position.

UNDER 12
Holy Trinity, 2-6-18, lost to Laverton Y.A., 4-5-29.

Goals: W. Mitchell, S. Smith.
Best: D. Vickers, A. McLellan, W. Mitchell, A. Gibson.

UNDER 15
Holy Trinity, 10-8-68, defeated Laverton Y.A., 8-10-58.

Goals: M. Lomas 4, W. Spicer 2, A. Sims 2, G. McGowan, P. Cloughton.

Best: C. Sahhar, N. Kerss, S. Stuart, M. Lomas, G. Wyatt, L. Cloughton, A. Sims, W. Spicer.

This week Holy Trinity are away to Westport Meth.-Pres. at the Loft Reserve.

With both teams equal second in the Under 15 section this engagement is vital to either sides double chances hopes.

DANCE AT ALTONA YOUTH HALL

Members of the Altona Youth Club are
holding a dance at the Youth Hall on Satur-
day, July 18.

The dance will feature
popular group THE WARE-
HOUSE which is building up
a strong following here in
the Western Suburbs.

Recent dances at the Al-
tona Youth Hall have at-
tracted over 150 swingers,
but the organisers expect a
much bigger crowd this time
because of increased pub-
licity and the employment
of a professional group.

Admission on the door
will be \$1.

All inquiries should be
directed to the organiser,
Brian Kerle, at the Youth
Club. For further news
watch this page.

Answer Your Questions

Still trying to think of
the name of that group?
Or trying to contact Fred
Bass who used to play for
THE UGLIES?

Any questions you may
have on the Pop Scene in
Australia or overseas may be
directed to yours truly who
will do his best to answer
them for you.

You may want to see a
story on your "fave" pop
group. If you do, let us
hear about it as soon as
possible for the quickest re-
sults.

Write to Ron Coleman,
C/- "Swinging World," Al-
tona Star, 101 Pier St.,
Altona, 3018.

Behind The Scene With Ron

Well, the scene is get-
ting deadlier every moment.
But here in the Western
Suburbs we are doing our
all out best to liven it up.

If you know of any place
that needs a dance for char-
ity or fund raising let me
know and I will see what
can be done.

Bill Joseph and David
Jenkin have been raking in
good crowds at their Cu-
mber Castle dance in
Werribee.

Sino wants Greg (Daisy
Clover) to turn solo.

ESOP'S FABLES were a
gas on "IMT" the other
night. What a voice that
gal has.

What a terrible flop the
"GO-SET" Pop Poll awards
were on television the other
night.

Wayne Ford will provide
backing for "HAIR" soon.

WAREHOUSE has two
great new guitarists. Ian
from Canberra was intro-
duced to the group by Yuk
Harrison. And would you
believe that this group in-
tends to feature two lead
guitarists.

Gossip

Julie and Sue want to
meet a couple of nice
"Rocker" boys please. They
want someone to take them
to Jailhouse every week.

John is now chasing
barmaids from the Chevron.

The Don't Rubbish Aus-

Williamstown Lacrosse Club

BY DEFEATING MCC 45-17 the A Fearons
showed that even with six stars in the senior
State team in Adelaide they are still a team
to be reckoned with.

Veteran P. Hogg, a mem-
ber of the 1963 "first ever"
premiership team and "ever-
green" J. Morrish, an oldy
from way back, helped out
and registered eight goals be-
tween them. D. Allen threw
11 goals and, not to be out-
done, E. Toomey made his
solo 12.

A Deacons continue their
unbeaten run. They outplayed
MHSOB to win 22-8. Eight
players scored goals with J.
Hunter top-scoring with seven.
Premierships should not be
counted until they have been
won but the Deacons have
already dusted the shelf in
the clubroom for their trophy.

In F Grade the Under 14's
are still unbeaten and both
Fearons and City registered
good wins. On July 18 on the
Fearon Reserve they meet
and one team will emerge
winners, but the odds are that
they will again clash in the
grand final and what a match
that would be.

This week in A Grade the
Fearons are at home to Sur-
rey Park Reds. City are away
to Surrey Park Whites and
Deacons are away to Caul-
field.

Details:

A GRADE
Fearons defeated MCC, 45-
17.

Goals: E. Toomey 12, D.
Allen 11, J. Morrish 7, P.
Hogg 2, R. Tregear 5, R. Cor-
dell 3, A. Inglis, B. McDon-
ald 3, W. Rhodes, G. Gars-
worthy.

Best: D. Allen, R. Tregear,
E. Toomey.

Deacons defeated MHSOB,
22-8.

Goals: J. Hunter 7, B. An-
derson 4, R. Speakman 2, W.
Davis 2, K. Seal 2, G. Spicer
2, N. Simons, G. Calvert.

Best: B. Anderson, G. Cal-
vert, K. Seal.

B GRADE
Fearons lost to Altona, 10-
12.

Goals: B. Davidson 3, N.
Speakman 2, C. Addy, Bon-
ner, G. Brotheridge 3.

Best: B. Davidson, G. Rit-
chie, G. Brotheridge.

City lost to Malvern, 2-21.

Goals: B. Macardie, P.
O'Brien.

Best: B. Macardie, W.
Burke, J. Smith.

F GRADE
Fearons defeated Caulfield,
36-3.

CENTRALS NO MATCH FOR NEWPORT

NEWPORT, in a superbly disciplined effort proved far too good for Central Altona. Newport took control from the first bounce and it was not until half way through the third quarter that Centrals were able to produce any semblance of teamwork.

Newport played brilliant football in the first two quarters with splendid backing up and handball to lead Centrals by six goals at half time.

After the break Newport again went into attack and notched another three goals before Centrals rallied. This latter half of the third quarter was the only time Centrals played the determined and tenacious football that almost toppled Altona City last week.

Centrals still have players out of form and are still in the reckoning for the premiership.

FINAL SCORES: Newport 15-13-103 d. Central Altona 9-6-60.

BEST (Centrals): O. Stumbras, J. Lott (1), J. Cargill, M. Kizan (1), M. Laurin (1), E. Jepson.

Other goals were scored for Centrals by C. Peatling (2), E. Szatkowski (2), R. Smutney and T. Wrybicki.

UNDER 18

Centrals under eighteens with a side of only 16 men completely eclipsed Laverton.

John Puopolo, playing in the centre, put in his best performance for the season. Up until halfway through the second quarter Centrals had nine goals straight to Laverton's three points.

Laverton tried hard in the closing stages of the game but Centrals were too good.

SCORES: Central Altona 23-10-148 defeated Laverton 11-6-72.

BEST: J. Puopolo, I. Lafey, L. Thwaites, A. Vassiliadis, R. Makinson, P. Roegash.

SPOTSWOOD FOOTBALL CLUB

A GRADE

Away to North Footscray, Spotswood played poorly in the first half in wet conditions, but after the interval they played more determined football to dominate the game to win by a big margin.

Scores: Spotswood, 15-11-101; North Footscray, 5-8-38.

Goals: Zun 3, Biddick 3, Ham '3, M. McDonald, B. Hewet, Cody, Self, Murphy, Petherick, K. Lee, Kirwan.

Best: Zun, Biddick, Ham, McDonald, Kirwan, Shiell, Weedon, McGarity, Lamont.

A RESERVE

In wet and windy conditions Spotswood had too much ability for North Footscray and kept them scoreless.

Scores: Spotswood, 25-26-176; North Footscray, nil.

Goals: Budgen 7, Melhuish 6, Bristow 3, Jones 2, Stevens 2, Heriot 1, M. Lee 3, Boyd 1. Best: Budgen, Melhuish, Stevens, Heriot, Kemp, Lee, Leach.

UNDER 18

Spotswood defeated Parkside easily in heavy conditions.

Scores: Spotswood, 12-20-92; Parkside, 2-3-15.

Goals: Tobin 3, Norris 3, Mackey, Page. Best: Bunting, Hughes, M. Iaccarino, Mayberry, Moore, Reidy, Tobin, Stevenson. P. McTaggart played his 50th game for the club.

UNDER 16

Playing Sunshine on the big Skinner Reserve, Spotswood in the first half wasted many opportunities by playing the ball on the non-scoring wing, but after the interval they took control of the game to win easily.

Scores: Spotswood, 15-11-101; Sunshine, 5-8-38.

Goals: Bright 4, Cottee 4, Harley 2, Walker 2, Powley 2, Scott.

Best: Bright, Cottee, Harley, Scott, Kerr, Maltman, Warne, Watkins, Couch. P. Williams (known as "The Ant") played his 50th game.

UNDER 14

Spotswood kept Sunshine scoreless in a good win.

Scores: Spotswood, 25-16-166; Sunshine, nil.

Goals: Cameron 5, Prytherch 4, Langlands 3, Caldwell 3, Norton 3, Bone 2, Powley 2, John, Scott, Armstrong. Best: All players did well.

UNDER 12

Spotswood, after being inaccurate in the first half, settled down in the second to defeat Devon Park easily.

Scores: Spotswood, 8-13-61; Devon Park, 3-2-20.

Goals: Jamieson 3, Parry 2, M. Davis 2, G. Davis.

Best: Jamieson, M. Davis, G. Davis, Parry, Dinatale, Sanders, Cameron.

ALTONA TENNIS CLUB CHAMPIONSHIPS

Junior players dominated the finals of the senior singles events in this year's Altona Tennis Club Championships.

Two fifteen year olds, John Trickey and Helen Shields, are the youngest and first juniors to win the A grade singles championships for Men and Ladies.

And another fifteen year old, Lesley Hyde, won the B grade ladies title. The B grade Men's was won by Geoff Wood — he is 18.

On Sunday in the grand final of the A grade Men's Singles event John Trickey defeated Greg Findlay 6-3, 6-1.

John is a member of the Linton Cup Squad — the eight top Under 19 players in Victoria whose play is supervised by former Davis Cup player Neal Fraser.

John usually plays A grade summer pennant with Altona. In the local championships he did not enter the junior events.

Helen Shields defeated Bev Sandilands 6-1, 6-2 for the ladies A grade title and won all three Under 16 events for girls — the singles, doubles playing with Julie Findlay and the mixed doubles partnered by Greg Rowe repeating their success of last year.

Geoff Wood defeated Peter Sawyer 8-3 in the B Grade Men's final.

And with the same score Lesley Hyde defeated Bev. Sandilands in the Ladies B Grade championship. Partnered by Yvette Robertson, Lesley also won the ladies doubles.

In junior events Stephen Whitecross won both the Under 16 and Under 14 Boys Singles and the Under 16 doubles with Graeme Crofts.

Noelene Colvin won the Under 14 Singles event for girls.

On Monday one match still remained to be played — the boys Under 12 singles between Alan Findlay and Shane Johnston.

The Altona Club has a strong band of junior members — nearly 70 with another 30 to 40 younger ones coming on from the coaching classes.

Trophies will be presented to the championship winners by Club President Mr. Len Findlay and coach Mr. John Ryan at a Presentation Night in the club house this Saturday starting at 7.30 p.m.

Parents are urged to attend and presentations will start at about 8.30 p.m. Results of all final championship matches are —

Altona Methodists Football

UNDER 12

Altona Methodists' convincing win over Montport shows that they are striking form at the right end of the season.

Altona, 10-18, d. Montport, 1-0-6.

With a very good display under shocking conditions last Saturday Altona proved too strong. The backline, led by G. Stone, I. Van Ran Groy and R. Anderson would not let the ball pass them. On the forward line, play by W. Brock, M. Donnelly, J. Clark and rover P. Gilmore enabled Altona to stay on top of the opposition in a good team effort.

Altona Ladies' Bowling Club

At the Altona Ladies' Bowling Club last Thursday (July 2), winners of the indoor bowls social afternoon were: Irene O'Donnell, Eileen Thomas, Queenie Cox and Lorna Walsh (captain).

Interclub day will be held on Tuesday, July 21.

Members are reminded that entries for the Tasmanian Carnival are to be with the Secretary by July 28.

Altona City Football Club

UNDER 18

Altona Rebels lost to West Newport.

West Newport proved too strong for Altona after kicking 9-2 in the first quarter.

Scores: West Newport, 18-14; Rebels, 6-5.

Best: Vanderpoel, Pratt, J. Russell, P. Martin, Drew.

Goals: Churchill 2, Styles, Heaney, Nowells, Bees.

Coach Alec John is extremely disappointed in the way the team was let down by players not turning up.

Be at training from now on (Wednesday and Friday) as the finals are on in four weeks.

Altona City A defeated Newport.

City proved too strong for Newport last Saturday and ran out comfortable winners.

Scores: Altona City A, 17-19; Newport, 1-2.

Goals: H. Van Dyke 5, S. Chatfield 3, W. Patton 3, K. Moylan 2, F. Grego 2, G. Wilson, S. Grainger.

Best: E. Valente, J. Rosenboom, S. Grainger, N. Courtot, I. Hardham.

UNDER 16

Altona defeated West Newport.

Altona played with 17 men and West Newport played with 16 men.

Altona meet Williamstown this, week in what will be a big test for the team. Players must train every training night if they want to win the flag.

Scores: Altona, 9-24; West Newport, 0-1.

Best: Churchill, Hampton, Russell, Hitchcock, Hancock, Henry.

All parents are urged to be at the Williamstown ground this Saturday to cheer the team on.

South Thirds Lose

After starting well, South Melbourne were gradually overtaken by Essendon to be defeated by 29 points.

Essendon went into attack to score first, but South fought back and a handpass from Brown to Brookes resulted in their first goal.

Essendon replied, but goals from Doherty and Diedrich put South in front at quarter-time.

Early in the second term Essendon scored. South replied through Carrodus and Lees, and at half-time South led by 10 points.

In the third quarter Essendon levelled the scores. South took the ball forward constantly but could not capitalise on their opportunities.

Essendon were too strong in the last quarter and piled on five goals to run out easy winners.

Scores: South Melbourne, 5-7-37; Essendon, 9-12-66.

Goals: Doherty 2, Carrodus, Lees, Brookes.

Best: Hocking, Doherty, Zakula, Brookes, Kurth, Bell.

HOCKEY TEAM DOWN 2-1

Playing at home the Altona A grade hockey team were defeated 2-1 by Kew in a tense game.

Kew had to win to retain their position in the four and were all out to show that the 3-all draw between the teams in the first round was a fluke for Altona.

The locals were just as keen and with the ground in magnificent condition the stage was set for a great game.

Starting at a cracker pace, both teams strained to get the initial advantage of a goal and the hockey was of a high standard.

Alan Baillie was really burning on the right wing and finally broke through to score a magnificent goal from right off the backline only to have it disallowed for "sticks."

Heavy rain put a damper on the game and a crack on the knee took some of the sting out of Peter Hunter's game. In this period Kew scored from a penalty corner to give them the advantage.

After the interval Altona really applied the pressure but in doing so the Altona defence was caught too far upfield and Kew scored a magnificent field goal to put them 2 up.

Full credit to the Altona players who fought the game right out. Desperate defence by Kew led to a penalty flick and Bruce Forrester made no mistake. A tense game ended with Kew in front but Altona far from disgraced.

Best: A. Baillie, G. Bowden, G. Hunter, R. Verity.

C NORTH DEFEATED ESSENDON 4-0

With a welcome return to winning form in front of a good crowd Altona had a convincing win over Essendon.

Teamwork was the keynote and a little extra effort made the side look like the one that started the season on top of the ladder.

The umpires did an excellent job and this good work in controlling the game helped to promote the high standard of play.

Thanks must go to Bill Smith who coached the team from the sidelines constructing and directing play to the best advantage. This is one of the major necessities of this team to bring out discipline, control and a winning spirit. Thanks Bill.

UNDER 14

Altona side were very disappointed when, after battling hard all day to hold Essendon to a 1-all draw, they allowed the Dons through to score the winning goal in the last five minutes of play.

Dick Heaney scored the first goal early in the game when he burst through the Essendon defence to drive a hard shot into the net.

Essendon equalised soon afterwards and the game developed into a determined battle to break the tie.

Best: R. Pratt, S. Jensen.

E GRADE

Altona made certain of staying on top of the ladder with a decisive victory over Kew. S. Hyde, playing in a new position, dominated the whole game and scored two goals.

John Bartlett played an excellent game on his return from New Guinea.

Scorers: W. Duncan 3, S. Hyde 2, K. Budgen, M. Schynder.

UNDER 14 DREW WITH TOORAK 1-1

Altona needed a win in this game to be absolutely certain of playing in the final series. However, the team did not show enough endeavour on the forward line to hit the necessary goals to win.

Again it was left to the backs and half-backs to hold the team together.

Toorak started as if they were going to win easily. A great goal in the first five minutes was good hockey and it wasn't until just before half-time when Mark Gilson scored, that Altona caught up.

The defences were well on top of the respective forward lines for the rest of the game.

Best: R. McCauley, I. Daley, P. Symons, B. Neyland.

CLUB NOTES

Anybody who was at Grant Reserve last Saturday could not have helped noticing the magnificent condition of the A Grade ground. Undoubtedly the ground was in the best condition ever and a tribute to the work of the City curator's staff.

The Victorian under 21 team, who were unable to train anywhere else in Melbourne on Sunday due to the flooded conditions of other grounds, spoke highly of the smooth, dry surface.

LADIES' HOCKEY

B GRADE

Altona played Blackburn at Blackburn in very wet conditions. Although both teams tried hard and the play seared back and forth no-one could score in the first half.

After half-time Altona went out a more determined side. They attacked time and again with the halves giving them lots of drive.

Kerry Smith, who filled in on the left wing, took the ball down time and again but Altona's other forwards failed to capitalise on her passes. Finally they scored a goal off the goalie's pads. Altona tried hard to score again but met with no success.

Blackburn went into attack and a nice goal was the result of this effort. Soon after the final whistle blew with the scores 1-all.

Thanks go to Wendy Hopkins who did a very able job of filling in at left-back.

Goal: K. Smith.

Best: G. Rowe, K. Smith.

Altona Soccer Club JUNIORS

GREAT WIN FOR UNDER 14'S IN VICTORIA CUP QUARTER-FINAL

Altona were too good for Ringwood-Wilhemina at Ringwood last Saturday and won a great game 5 goals to 1 in very wintry conditions.

Altona scored in the first minute when B. Roberts sent a through pass for Downes to score a good goal.

Wilhemina came back soon after to level the score but after that Altona took command to score three more goals before half-time. Burgess, Downes and Reilly were the scorers.

In the second half Altona held their own against Wilhemina who had a breeze and a slope to help them.

Roberts and Gramsbergen played great soccer with plenty of support from Reilly and Vanderpoel and goalkeeper F. Broadley had a good game.

The Under 11 game at Kim Reserve was called off.

This Week's Matches

Saturday: Under 14's v. Albion Rovers at Kim Reserve.

Sunday, 11.30 a.m.: Under 11's v. Our Lady's at Kim Reserve.

Sunday, 1 p.m.: Under 13 v. West Newport at Kim Reserve.

Primary School Soccer

The conditions under which the schools played on Sunday, July 5, were much better than last week.

The results of the third round are as follows:

Altona and Altona East had a nil-all draw. This game was a real battle. Neither team were able to penetrate the other's defence. Altona surprised everyone when they put up a good effort.

Best for East: J. Dimitriov, M. Sokic, S. Lambour.

Best for Altona: M. Vanderpoel, V. Pace, L. Hopper.

Altona North, 1, d. Seaholme, nil. This also was a very hard and close game with each team member playing well.

The boys play every Sunday at 9 a.m. at Kim Reserve. Visitors very welcome.

Goal scorers for North: J. Anile. Best: Goricante, M. Herbel, J. Calal.

Best for Seaholme: D. Gregson, A. White, A. Hazic.

Altona West had a bye.
